# How to associate students to a coach in Genius

1. Start on your student's 'Main Page'
2. Scroll to the bottom of your screen and click the "Associate to Coach" button

3. Click on Add new association at the top of the page

4. Select the role of the user
   a. If a user is not listed in the role you think they should be, select a different role to get a different list of people to choose from
5. Click save
